## Welcome to Copenhagen Pier

Our trilogy of gastronomic and mixological anchors at Copenhagen Marriott Hotel each offer a unique atmosphere and selection of flavorful experiences. But they also share a key inspiration drawn from our location: The ever-flowing history and inspiration of the harbor right outside our windows and doors. A greeting to the very crucible that gave the Danish capital its name: København. "The merchant's harbor."

**Copenhagen Pier** is the idea of a common denominator for everything that flows between us when we enjoy the good urban life by the harbor. From well-prepared meals at **The Table** to stylish, cheerful gatherings in **The Bar** and events and savoring the fresh air on **The Terrace**. Each in its own right - but even more together.
