

International Environmental Award

Green Key

Marriott Copenhagen

2023

You have chosen a Green Key business. This means that you automatically help preserve the environment, as we meet Green Key's stringent environmental requirements. We make it easier for you to care for the environment without diminishing your experience or comfort.

Green Key is an eco-label available worldwide awarded to tourism businesses in more than 60 countries.

Du har valgt en Green Key/Grøn Nøgle virksomhed. Det betyder, at du automatisk er med til at passe på miljøet, da vi lever op til Green Keys skrappe miljøkrav. Vi gør det lettere for dig at passe på miljøet - uden at det går ud over din oplevelse eller komfort.

Green Key er turismens internationale miljømærke, som tildeles til turistvirksomheder i over 60 lande.
